Greetings,

Next summer, I am looking to take part in a professional development opportunity presented by Elevate Your Classroom. From June 29 - July 1, 2025, they will be hosting a conference in St. Paul, Minnesota at the InterContinental Saint Paul Riverfront. This opportunity will allow me to grow my teaching by learning from renowned educator-presenters from across the country. All sessions are grounded in evidence-based strategies with a practitioner's lens, and cover all content areas, classroom management, SEL, science of reading, and much more. In addition, Elevate Your Classroom is specifically geared toward primary teachers, so the content can immediately be brought back to my classroom. I understand the investment you would be making by helping me attend this conference, but I hope to pay it forward by sharing my learning with the staff upon my return. Please let me know if you have any questions about it, and you can also learn more by visiting their website www.elevateyourclassroom.com.

Thank you for your consideration and commitment to my professional growth!

Sincerely,
