WHO WE ARE

ELEVATE! is the premiere professional development for primary Pre-K - 2nd grade educators.

Our selection of highly accomplished national speakers are either current teachers, administrators, specialists, coaches or consultants working in schools.

**Founded in
Research**

All ELEVATE conference sessions are based on research and/or evidence-based content and practices, and guaranteed to be presented in a way that engages attendees in hands-on activities and models instructional best-practices.

**Next Day
Implementation**

Every session you attend will provide you with lesson ideas and activity resources that you can take back to your classroom and use immediately!

**Vetted
Speakers**

At ELEVATE, we set the bar high! All presenters are required to support their presentation content with current research, model best-practice instructional methods, incorporate active-engagement strategies within their sessions, and provide complementary lesson plans/activities for attendees to take back and use immediately in their classrooms.
